CONTRACTING CONDITIONS AND RESPONSABILITY

Customer guarantees having adequate knowledge for the proper use of technical equipment included in the Pack, otherwise an assistant needs to be hired for proper and safe assembly and dismantling of the rented equipment.

Studio can be rented 7 days a week, including holidays, from 9:00h to 21:00h.

An increase of 20% will be charged for booking the studio on weekends, holidays or off schedule hours.

The number of hours is accounted from the arranged time. If any delay, time will be charged to the customer. Mounting and dis- mounting the equipment is included in the scheduled time. Overtime will start counting within 10 minutes from the agreed time.

Customer agrees leaving the studio clean and neat by the end of the shooting. All lighting equipment must be off, gathered and all accessories in place.

Golden Studio is not responsible for any object brought to the premises during the rental period.

Customer is the only responsible for any damaged or missing equipment, he will take over the repair costs or replacement. Also, clients are required to immediately report any damage and / or dysfunction.

Booking the studio implies accepting all conditions mentioned in this document.

ACCORDING THE CLIENT:
